Al-Bashara - Dubai - UAE

PERSONAL STATEMENT

Graphic Design Specialist with over 2 years of experience developing top-notch design assets for businesses. Possess a B.A. in Graphic Design from Nottingham Trent University. Skilled at guiding challenging projects from conception to completion. Seeking to leverage my strong creative expertise and design intuition to help develop innovative branding for your company.

WORK EXPERIENCE

Teacher of Design and Technology

Ministry of Education - UAE, May 2019 - Present

- Lead in the design, development and execution of communication materials while helping clients cut their costs by an average of 10%.
- Delegate tasks to 3 freelance designers and provide counsel on all aspects of certain projects.
- Supervise the assessment of graphic materials in order to ensure the quality of the design.
- Produced modern, eye-catching illustrations for clients using Adobe Illustrator and Figma.

Teacher of Design and Technology

GEMS Metropole School, Dubai May 2018 - September 2018

- Helped develop numerous marketing programs (logos, brochures, newsletters, infographics, presentations, and advertisements) and guaranteed that they exceeded the expectations of our clients.
- Assisted with 3 different major design projects while under pressure to meet weekly deadlines.
- Recommended and consulted with clients on the most appropriate graphic design options based on their marketing goals and branding specifications.
- Put together design presentations and proposals for clients and account managers.
