- Polaris Private School – Abu Dhabi
  - From 05 Sep, 2013 To 10 Jul, 2014 - as a physics teacher

## Education

- High grade - Jerash Secondary School – Jordan.
- Bachelor of Applied Physics – Jordan University of Science and Technology – Jordan.
- High diploma – Teaching Methods - Abu Dhabi university.

## General Skills

- I feel myself full of ambitious, self-motivated, patient, leadership, fast to learn, desire to learn and flexible.
- I am able to work under pressure and gain the trust and love of others.

## Work skills

- Ability to work in groups (teamwork) with good communication skills (verbal, written), time management, ability to persuasion and negotiation, and managing pressure.

## Computer skills

- Work professionally on Microsoft Teams.
- Use all computer programs for reporting communication (Word, Excel, PowerPoint), excellent information gathering and research skills on internet.

## Language skills

- Arabic is Mother tongue and English excellent in reading, written and speaking.

## Teaching skills

- Use modern teaching methods and I participated in several courses in the development of teaching methods.
- I am proud that I am able to win the love of my students and build strong relationships with their parents because I believe that the students' love for their teacher is the basis of student development and academic excellence.

## Hooppies

- A table tennis player with many tournaments at the level of Jordan and able to train the players
- A leader in the Jordanian scout team for eight years.
